## Mission

Our goal is to provide your child with creative, stimulating, and age-appropriate activities that will help them develop their motor, social and language skills. We will foster respect by encouraging them to take turns and use their words to express their needs and feelings. We promote self-awareness with periodic bathroom reminders. When behaviors escalate or become overwhelming, we use mediation and redirection to help them learn self-control. Serious behavior issues will not be discussed at pick-up time. The director will ask to call you at home after camp is over.
