Cool Treats For Hot Summer Days!

Whether your taste is for ice cream, sherbert, frozen yogurt or chilling drink delights, Hebron now has two great locations to beat the summer heat.

Brain Freezers Frozen Yogurt Cafe opened their doors last Wednesday at their new location at 65 Main Street. Owner John Johnston decided to hold a quiet opening with no major fanfare but people in town had seen the 'Coming Soon' signs and immediately started patronizing his business from the very first day the store was open. Judging from the smile on his face, the decision to start a business in Hebron was a good one.

Just a few miles up Route 85 at 277 Church Street, the lines at Scooter Bugs Ice Cream Stop have been steady all summer long. Owners Mark and Kristi Cote took over the store last year and thoroughly enjoy their entrepreneurial venture and being part of the Hebron business community.

With incredible flavours, countless combinations and friendly owners, visit these great locations for your own local taste-testing adventure!
